Dear Brothers and Sisters in Christ,

After much thoughtful deliberation, the leadership at Trinity have decided that a “hybrid” format annual meeting held on January 31st will be our best option this year.

Here is what we imagine that will look like: **all eligible voting members will receive a complete packet that will be mailed out 1/15/2021.** When your packet arrives, please review the enclosed materials and fill out the mail-in ballot.

As of this writing, we only have one person per slot to fill for vestry, wardens, and clerk, which will keep voting simple. The proposed revisions to the bylaws are relatively minor, straightforward, and have already been reviewed and recommended by the vestry; you should have all the materials you need to make a faithful decision. And, as always, feel free to reach out if you have any questions.

When you have finished, mail your completed ballot to church, along with any questions you would like addressed at the **annual meeting broadcast Jan. 31st.**

Following the **9am service**, we will have presentations done from the front of the church over the livestream. These presentations will include highlights from written reports, as well as an open Q&A where we will address questions that were mailed in, live questions raised by anyone in the chat on Facebook, and live questions by people who come to participate in person.

We look forward to our annual gathering.

Peace,

Fr. Nik, *PIC*

Roger Coutant, *Sr. Warden*

Jessica Magda, *Jr. Warden*
